

You Can Find a Match for Every Boater's Style Of Comfort

Attwood introduces award-winning seating innovations, year after year. As the Attwood seating group grows, you can find the right seating style for every type of recreational boating, every type of customer.

Bucket Seating

For cruisers, runabouts, deck boats, and pontoon boats

VisionAir™

Elastomeric Mesh Technology (EMT) answers customers' three biggest priorities in boat seating:

- Comfort — EMT conforms to shape of the user
- Dryness — Open-weave mesh material allows moisture to pass through freely
- Breathability — Heat and perspiration evaporate away from the seat, for cool comfort

VisionAir™

Folding Seats

For all fishing boats and pontoon boats.

Centric II **new**

- Ergonomically designed pan and back for ultimate comfort
- Seat pan designed for proper water drainage
- Larger seating surfaces
- Folds flat for a cleaner look

Centric II

Aergo **new**

- Designed to be comfortable in any seating position
- Includes our 4-G mesh SAS suspension

Aergo

Centric SAS™, Centric™ and Centric Contour

- Fold-down back allows unrestricted movement needed for active fishing
- Centric SAS adds shock absorption to soak up hull pounding

Centric Contour

Matrix

- Ability to accept custom-shaped components offers the potential to create multiple levels of seating — from value-conscious to premium — from one platform
- Includes our 4G Mesh shock-absorbing suspension

Matrix

Centric SAS

Centric

Avenir™

- Outstanding support, luxury, and styling
- Exclusive SAS™ Quad-Spring™ suspension offers unequalled shock absorption and comfort

Avenir

Avenir Sport

Venture™

- The best ergonomic contouring for cool comfort, with or without upholstery. Patented no-pinch folding hinge

Venture

Bench Seating

For cruisers, yachts, pontoon, and center console boats.

Matrix Dual Helm Seat

- Extra-wide seating for sharing the helm... or stretching out
- Flip-up bolster for stable, elevated seating and improved visibility
- Matches the style of the Matrix bucket seat

Dual Helm

PROForm®

- The long-time favorite for durability and comfort
- Many choices of shell and upholstery colors, including 2 camouflage styles

PROForm

SAS Bench

- Upholstery-ready platform that delivers what you need to create shock absorption seating
- Same technology and materials used in our award-winning SAS Quad-Spring seats

SAS Bench™ Seating Platform
